Colchester County District RCMP has arrested two men for impaired driving after responding to a report of possible impaired driver then a report of a two-vehicle collision.

On November 12th, at approximately 5:30 pm, Colchester County District RCMP received a report of a possible impaired driver on Highway 289 in Upper Stewiacke. Officers learned a green Honda CR-V was seen travelling at a high rate of speed and swerving in and out of the driving lane.

While officers were attempting to locate the CR-V, a call was received at approximately 6:15 pm reporting a two vehicle collision on Highway 2 near Alton. Officers learned a green Honda CR-V and a Nissan Sentra had collided head-on.

Upon arrival, officers observed that the drivers and sole occupants of each of the vehicles were showing signs of impairment. They were subsequently arrested for impaired driving.

The driver of the CR-V, a 37 year old man of Halifax, and the driver of the Sentra, a 54 year old man of Brookfield were transported to hospital by EHS with non-life-threatening injuries.

The 54 year old Brookfield man is facing charges of operation while impaired and operation while prohibited. He was also issued a summary offence ticket for operating a motor vehicle without insurance. He was released to appear in court at a later date.

The 37 year old Halifax man was released pending further investigation. Investigative actions related to impaired operation are ongoing.

Impaired operation of any motor vehicle is a choice that places the driver and others at an unnecessary and unacceptable level of risk. The Nova Scotia RCMP encourages the public to report suspected impaired drivers by calling 911.
